

Our Client Say

"Highly recommended. I've never seen such a professional and neat working company in my 10 years working in the music industry. Prism Sound Events is in a different league! Thanks Prism!"

- Hugh Lynn (Artist)

We had a wonderful experience with Prism Sounds at our wedding. They were professional, patient, and incredibly easy to work with, especially while we chose music for our key moments. The music throughout the evening was spot on and kept the dance floor going without feeling overdone. They also helped me plan a surprise for my fiancé, arrived early to set up, adapted easily to the rain, and even played a few songs on the fly that worked perfectly. A reliable and talented DJ, we would highly recommend Prism Sounds for any wedding or event.

Tons of appreciation!

- Stephanie Brushfield-Smith
